*Thanks for getting in touch and considering me to be your wedding photographer.*

*On your wedding day it will be fun and relaxed, taking traditional wedding art and reportage photographs.*

*Every package is tailored to you and your budget so please let me know what albums and other services you are interested in and I will give you a personal quote.*

*I look forward to capturing your special day.*

**Below is an example itinerary for the full day.**

- 12pm: Arrive at the bride's house for bridal prep
- 1.15pm: Arrive at the wedding venue. Take photos of the groom and the best man
- 1.30pm: Photograph the guests arriving
- 1.55pm: The Bride and bridesmaids arrive
- 2pm: The Ceremony starts (with my piano music being played if requested)
- 2.20pm: Sign the register
- 2.30pm: Walking down the aisle as husband and wife
- 2.45pm: Go back into church for traditional photos, wedding party only
- 3-4pm: Take photos of bride and groom, a group photo and wedding party photos
- 4.15pm: Get ready for the wedding meal. Photos of the tables and reception room
- 4.30pm: Bride and Groom enter the room
- 5pm: Photograph the speeches if before the meal or 6.30pm if after the meal
- 5.30pm: Play piano for an hour (if requested)
- 7pm: Meal finishes. More photos of bride and groom and any other family shots
- 7.30pm: Photograph evening guests as they start to arrive.
- 8pm: Cut the cake and first few dances photographed.

## **Every full day package includes:**

### **High Res photos**

You get to keep every High Res photo with every package on a flash drive. You also have permission to reproduce any of the images. Every package also comes with 50 edited photos, including black and white.

### **Flash drive Presentation box**

The flash drive, containing your wedding photos, comes in a personalised presentation box with your name and date of wedding on it.

### **HD Video**

For no extra charge you can have the key parts of the day recorded as an HD video. This includes the ceremony, speeches and first few dances. This is un-edited and you keep all the footage. However, if you book a videographer, this service is not available. You get to keep all the footage as an MP4 file. This is given to you on the flash drive.

### **[www.MusicbyJohn.com](http://www.MusicbyJohn.com)**

For no extra charge, the piano is played for an hour during the meal. I can play both classical and modern music. I can also provide piano music for your ceremony as an MP3 file.

## **Also available:**

### **Pre-wedding shoot**

- 1 hour with every photo on a flash drive at a location of your choice – £250
- With a signing print costs £350 (8x10 print mounted inside a 20x24 frame)
